CATS AND KITTENS

Stressed out at work? Are the pressures of the world getting you down? We guarantee relaxation with these complex Zen and anti-stress colouring pages for adults.

Harmony of Colour Book Thirty Eight: Cats and Kittens offers detailed images and patterns that are chosen by experts for their soothing properties.

Be aware of the overall harmony of your colouring rather than focusing on each element individually. Try to balance the colours so that they are a reflection of your emotions of the moment. If the colours of your page are in harmony, then your mind will follow!

Now... grab your pencils or textas and de-stress...

Owners of dogs will have noticed that, if you provide them with food and water and shelter and affection, they will think you are God. Whereas owners of cats are compelled to realise that, if you provide them with food and water and affection, they draw the conclusion that they are God.

Having a bunch of cats around is good. If you're feeling bad, you just look at the cats, you'll feel better because they know that everything is just as it is. There's nothing to get excited about. They just know. They're saviours.

I like cats a lot. I've always liked cats. They're great company. When they eat, they always leave a little bit at the bottom of the bowl. A dog will polish the bowl, but a cat always leaves a little bit. It's like an offering.
